

ANHUI WILLIAM(VICUT) CNC TECHNOLOGY CO.,LTD

Fast Speed Roll Laminator RL365

Features

1. Fast speed;
2. Chromed stainless steel roller;
3. Stepless speed adjustment control;
4. Variable speed control;
5. Foot pedal control;
6. Cold and hot laminating mode;
7. 1 or 2 sides laminating;
8. Optional function: perforating blade for edge tearing;

Technician Parameters

Model	RL365	RL365+
Laminating Width	$\cong 365\text{mm}$	
Laminating Speed	$\cong 5\text{m/min}$	
Laminating Thickness	$\cong 5\text{mm}$	
Temperature	70--130℃	
Power Supply	AC110/220V; 50/60HZ	
Warm Time	5mins	
Number of Rollers	4	
Power Consumption	1100W	
Film Perforating	NO	YES
Dimension	520*605*480mm	520*690*480mm
Weight	42kgs	42.5kgs
